the FY 1972 Office Estimates

1. The following data supplements the "Instructions for the Preparation and Submission of Office Estimates for Fiscal Year 1972" issued by the Director of Planning, Programming and Budgeting with his memorandum of 1 July 1970. Your dollar estimates for the 1971 and 1972 columns will include an additional amount representing the estimated cost in those years of the Federal Employees Salary Act of 1970 and may exceed the following control figures by that estimated pay act cost.

	<u>1970</u>	<u>1971</u>	<u>1972</u>
Staff Positions			
(GS-14 and above positions included in the above)			
Contract (Ceiling) Positions

*Actual Obligation and Encumbrance as of 30 June 1970,
unless notified otherwise.

Reduced contract ceilings are reflected in adjustments of -\$30,000 from 1971 and -\$65,000 from 1972. Note also that the 1971 column of the budget does not include the \$30,000 for REHABILITATION and \$85,000 for the IATC which were added to your 1971 Temporary Fund Authorization.

2. These instructions will also be supplemented by "Data Input Instructions" for the Automated Budget Control System, dated 1 July 1970, prepared by the SIPS Task Force. Questions concerning the budget estimates or the control figures should be referred to [redacted] One copy of your estimates (in addition to the original and four copies for O/PPB) should be marked for the DD/S Plans Staff.
